REX™ Wrap FORTIS LOW & HIGH PERM Limited Lifetime Warranty

The following warranty is provided by Alpha Pro Tech Engineered Products, Inc. to Builders, General Contractors or Professional Installers and upon the terms set forth herein. This Limited Warranty is valid only for Alpha Pro Tech Weatherization Products ("Products") as identified below and used as a system as defined below. The Products must be purchased and installed after January 1st, 2019 in the United States. If any Products are repaired or replaced under this warranty, then the ongoing warranty coverage will continue from the original date of purchase and not from the repair or replacement date.

25 YEAR PRODUCT ONLY LIMITED WARRANTY

Alpha Pro Tech warrants, subject to the following Product specific terms and conditions set forth below, for a period of 25 years from date of purchase, Products will meet or exceed the water resistant performance properties (pursuant to the Water Resistant Barrier ASTM D779-03 test) in the applicable Product specific Physical Property Data Sheet in effect at the time of installation. If the Product fails to meet those water resistive properties, the Alpha Pro Tech sole liability will be to provide replacement Product for that portion of the defective Product. All product replacement will be in the form of Product being manufactured at the time of replacement. No substitutions of other products or those manufactured by other manufacturers will be permitted.

LIMITED LIFETIME PRODUCT AND LABOR LIMITED WARRANTY

Alpha Pro Tech warrants, subject to the following Product specific terms and conditions, that for the lifetime from the date of purchase, Products, identified below, when installed in strict accordance with the applicable Product Installation Guidelines, in a properly constructed and designed wall system, following the applicable building codes and accepted industry standards for each type of structure, will:

For Alpha Pro Tech REX Wrap FORTIS Products meet or exceed the water resistance and air leakage performance properties pursuant to the Water Resistant Barrier test (ASTM D-779-03) for water resistance and pursuant to the Air Leakage (ASTM E-2178-03) test for air leakage in the applicable Physical Property Data Sheet in effect at the time of installation, and

The system must be completed with the windows and doors properly flashed using REXTREME Window & Door Flashing and REX Premium Seam Tape, All flashings and seam tapes must be installed in accordance with manufactured instructions.

To qualify for this Product and Labor Warranty, you must exclusively use these Products to the extent applicable on each type of construction, subject to the Product Specific Conditions set forth below.

When all conditions under this Product and Labor Warranty are met, if damage to the building is caused solely by the failure of any of these Products to meet the water resistance and air leakage specification in the applicable Physical Property Data Sheet, Alpha Pro Tech will provide replacement Product for such all defective Products and pay all reasonable construction repair costs to correct any such problem. Alpha Pro Tech will not have any liability under this warranty for the repair or cost of repair for more than the actual area of damage.
